COMMENTS: He self-financed the campaign with only accepted one donation from a close family friend. He filed a couple of reports late, there were not a long list of donors and expenditures to report. The fines total \$600 is close to total of expenditures for this campaign. He was working almost 60 hours a week. After working long hours, it took him a long time to complete and filed the reports just after midnight for all three reports. He was told that there were attempts made to send certified mail to his previous address. He does recall checking the LA Ethics website for outstanding fee, but didn't see his name.
